

G CABLE GLAND

This G type brass cable gland provides mechanical cable retention and electrical connectivity for cable termination. It is for indoor applications and is suitable for use with all types of Single Wire Armour (SWA). Its design offers the benefit of a longer body to protect the armour cables from pulling impact. This industrial cable gland is designed to BS 6121:1989.

Brand : Rupam
 Material : Nickel Plated Brass
 Cable Type : Single Wire Armour (SWA)
 Armour Clamping : Clamping Ring
 Design Specification : BS 6212 : Part 1: 1989

Available Accessories : PVC Shroud and Brass Earth Tag
 (to be purchased separately)

PVC Shroud and Brass Earth Tag
